Dear Applicant:

In your letter dated March 18, 2021, you requested a reclassification of foundation status as a public charity. Our records indicate you're tax exempt under IRC Section 501(c)(3), but your foundation classification is undetermined.

Based on the information you provided, we determined you meet the requirements for classification as a public charity described in IRC Sections 509(a)(3) and updated our records. Specifically, we determined you're a Type I supporting organization under IRC Section 509(a)(3). A Type I supporting organization is operated, supervised, or controlled by one or more publicly supported organizations.

Because your tax-exempt status wasn't under consideration, you continue to be classified as an organization exempt from federal income tax under IRC Section 501(c)(3).

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4421-PC" in the search bar to view Publication 4421-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

This letter could help resolve questions on your foundation status. Keep it for your records.

Sincerely,

Stephen A. Martin
